

Waste Disposal

Lane Cove Council provides limited capacity per unit with one **RED** general waste bin per three units, along with one **BLUE** and one **YELLOW** recycling bin per ten units collected weekly, eg one single large box dumped in a blue bin prevents nine other units from accessing a blue bin.

Please follow the detailed instructions displayed in the garbage rooms for correct disposal into the coloured bins for collection by Lane Cove Council; in summary:

RED	Daily household garbage, preferably in sealed bags to minimise odour; pizza boxes and other take-away food packaging; plastic bags.
YELLOW	Containers with R recycle symbols 1 to 7 only; plastic containers, plastic and glass bottles and jars, cans, tetra packs. No bags or boxes. No drinking glasses or crockery.
BLUE	Clean paper, magazines, small cardboard boxes and cartons, paper bags flattened & not food contaminated. No plastic bags.

Please ensure **all small cardboard boxes are totally flattened**. These include shoe, cereal, detergent and tissue boxes, milk /drink paper cartons together with wine, beer and soft drink cartons.

**** Health and Safety Warning **** Do not remove items from bins.

Council does not collect :

- ✗ bins that have waste not meant for that particular bin, NB **recycle** bins
- ✗ bulky items that do not easily fit or compact into a bin
- ✗ bins that overflow and lids must close
- ✗ electrical appliances eg vacuum cleaners, e-goods, printers, building materials

Nor is any of the following waste to be placed into garbage bins or garbage rooms:

- ✗ packaging material including polystyrene foam from large household goods, removalist's packaging, large cardboard boxes, household goods, waste bins, furniture and furnishings, pillows, travel bags, clothing and the like.

Refer www.lanecove.nsw.gov.au/CouncilServices/WasteandRecycling for **self disposal** of non- collectible items, which is free of charge for Council Household Collections but must pre-ordered or dropped off at the Community Recycling Centre.

Please be aware that units may be invoiced for the cost of removing items from the building that are not collected from garbage rooms or other common property.

Thank you for your cooperation.

Owners Corporation SP 90323
